## Chapter-only Membership

We offer chapter-only membership in the Robert Cooper Audubon Society (RCAS), separate from your National Audubon Society membership, in order to support our chapter's local programs and activities.

If you become a member of the Robert Cooper Audubon Society, your donation will go entirely to the support of our chapter and its activities in East Central Indiana. (You can also become a member of our chapter by joining the National Audubon Society, but only \$2.50 of your membership dues will come to our chapter.)

### Your membership supports the following activities:

- Monthly program meetings, with top-notch speakers and presentations about nature, natural history, and conservation
- Conservation and habitat restoration activities
- Our annual fall picnic and conservation awards banquet
- The many other activities that our chapter undertakes each year to help us fulfill our mission to protect and enjoy nature together in East Central Indiana

**Please NOTE:** If you do not opt for chapter-only membership but maintain your National Audubon Society membership, you will remain a member of the RCAS. Nothing will change in your membership or the publications you receive.

### Support your chapter at the following levels (please check your choice):

- Student \$15
- Basic \$20
- Supporting \$50
- Partner \$100
- I plan to maintain my membership in the National Audubon Society but here is my gift for the local chapter: \$\_\_\_\_\_
